

DD528 Cordless Hammer Drill

Lightweight and Powerful

A compact yet powerful cordless hammer drill that is perfect for overhead drilling and other applications that have limited or no power supply. The use of Lithium-Ion technology makes the battery last longer and friendly to the environment.

Product Advantages

- Equipped with a variable speed trigger, forward and reverse selector for all types of drilling, screwing and unscrewing operations
- Long-life batteries - 1000 charge cycles expected
- Charges quickly in 48 minutes
- Safety Clutch
- Rotary and Hammer/ Rotary Only selector built into casing

Noise / Vibration Information

Sound Pressure Level: 91dB (A)
 Sound Power Level: 102dB (A)
 Wear Eye and Ear Protection

Vibration: The typical weighted acceleration does not exceed 15.5 m/s²

Applications

- Drilling for electrical works, plumbing works and general works
- Fixing cables to outside walls
- Mounting electrical switch boxes
- Fixing drywall tracks
- Overhead drilling

Specification

Machine Weight	3.7kg
Voltage	28V
Rotation Speed	0 - 900rpm
Impact Rate	0 - 4400bpm
Impact Force (maximum)	2J
Optimum Drilling Diameters	
Concrete	6 - 10mm
Maximum Drilling Diameters	
Concrete	20mm
Steel	10mm
Wood	20mm
Drill Bit Holder	SDS Plus
